

HIGH SCHOOL JUNIORS

Each year, Northwestern Electric Cooperative chooses two high school students to send to Oklahoma's Electric Cooperatives Leadership Summit. These students are given the opportunity to broaden their skills and to interact with like-minded peers from across the state. **Students who win as a junior will attend the conference the following year as a senior.**

To apply, students must compete in the NWECC Youth Tour Competition.

EACH TEEN WHO ATTENDS THE LEADERSHIP PROGRAM TAKES HOME A \$1,000 COLLEGE SCHOLARSHIP!

DEADLINE: FEB. 19 AT 5 P.M.

Visit the youth programs tab at www.nwecok.coop for more information or call our offices at 580-256-7425.
