

HIGH SCHOOL JUNIORS

APPLY NOW FOR UP TO \$2,500 IN SCHOLARSHIPS!

Northwestern Electric Cooperative's Annual Youth Tour Contest Is Underway

Students DO NOT have to be a member of NWECC to qualify!

Each year, Northwestern Electric Cooperative selects three high school juniors to go on an all-expenses-paid trip to Washington, D.C. and two high school juniors to go on a trip to Oklahoma's Association of Electric Cooperatives Leadership Summit in Oklahoma City. However, this year the Youth Tour trip to the Nation's capital was canceled by the National Rural Electric Cooperative Association.

This means that NWECC is instead offering three **\$2,500 Youth Tour college or trade school scholarships** and two **\$1,000 Leadership Summit scholarships**. Along with the potential for an in-state or virtual Youth Tour Conference and Leadership Summit.

DEADLINE EXTENDED TO MARCH 23

Visit the youth programs tab at www.nwecok.coop for more information or contact the NWECC offices at 580-256-7425.
